OUR STORY

About Us — A Father's Vision, A Legacy Continued

PINAK Was Born From The Vision And Dream Of Our Father, Shri Joginder Paul Ji.

He Always Believed That Traditional Brass (Peetal) Utensils Were More Than Just Kitchenware — They Represented Purity, Heritage, And A Way Of Life Passed Down Through Generations.

Inspired By His Ideas And Guided By His Dream, His Two Sons Came Together To Turn That Vision Into Reality And Founded PINAK In 2024. What Began As A Father's Thought Soon Became A Shared Mission — To Revive The Timeless Tradition Of Brass Utensils And Bring It Back Into Modern Kitchens.

For Us, PINAK Is Not Merely A Business. It Is Our Father's Vision, Carried Forward By His Two Sons With Dedication, Respect, And Pride. Through Every Piece We Create, We Strive To Preserve The Values He Gave Us While Blending India's Rich Heritage With Contemporary Living.

PINAK Is A Legacy —

Envisioned By A Father, Carried Forward By His Sons, And Crafted For Generations To Come
